**FOR IMMEDIATE RELEASE:**

## **Workshop for Heritage Barn Owners**

Vancouver – If you own an old barn in Clark County or the surrounding area, are you aware of the *Heritage Barn Preservation Initiative*? A program of the Washington State Department of Archaeology & Historic Preservation, this initiative established the Heritage Barn Register, a statewide list of historically significant barns. Owners of historic barns over fifty years old that retain a significant degree of historic integrity can nominate their barn to be designated as a Heritage Barn and be included in the statewide register. Moreover, owners of designated Heritage Barns are eligible to apply for matching grants to assist with barn stabilization and rehabilitation projects.

The Clark County Historical Society is hosting a **free** workshop on Tuesday, September 17<sup>th</sup> from 4:30 to 6:00 pm at the Clark County Historical Museum for barn owners wishing to learn more about the *Heritage Barn Preservation Initiative*. Chris Moore, Field Director with the Washington Trust for Historic Preservation, will be on hand to answer questions and discuss the process for completing program documents. The next deadline for nominating a barn to the Heritage Barn Register is October 1, 2013, with the deadline to submit applications requesting barn rehabilitation grant funds set for October 28, 2013. Come join us to learn more about this wonderful opportunity and to obtain assistance in participating in this valuable program.

The Clark County Historical Museum is housed in Vancouver's 1909 Carnegie Library, located at 1511 Main Street in downtown Vancouver.
